

**Remarks/Arguments:**

Claims 53-80 were pending in this application. With this Amendment, claims 67-80 are being canceled without prejudicing the applicants' right to pursue these claims in a continuation application. Accordingly, claims 53-66 are now the pending claims in this application.

Objections were noted to claim 53 at points 1, 2, and 4 at page two of the Office Action. The applicants have amended claim 53 as suggested by the Examiner. In addition, the applicants have amended claim 53 to overcome the rejection under 35 U.S.C. § 112, second paragraph. No prior art rejection was made against claims 53-66, which were deemed allowable if rewritten to overcome the Section 112, second paragraph, rejection.

In view of the amendments and remarks set forth above, the applicants respectfully request reconsideration of claims 53-66 and allowance thereof.

Respectfully submitted,

Christopher R. Lewis, Reg. No. 36,201  
Attorney for Applicants
